## ***North County Young Women's Empowerment Network Submission Form***

The North County Young Women's Empowerment Network was developed with the purpose of providing young women in the 76<sup>th</sup> Assembly District with opportunities to learn, train, and lend their voices to a variety of local issues. The network's purpose is to assist young women in improving their leadership skills, to expand their knowledge on how state government works, and offer volunteer internships and training workshops to those who are interested in putting their new skills to work.

***Please fill out this form if you would like to be considered for selection to this new network.***
